

LEGAL NOTICE
DAVIS AND ASMUSSEN FLOODPLAIN DEVELOPMENT PERMIT & VARIANCE
REQUEST

Robert Smith, from A2Z Engineering, on behalf of Michael and Lore Ann Davis and Robert Asmussen, has applied for a floodplain development permit and variance request for storage of toxic, flammable, hazardous, or explosive material, for the purpose of placing a propane tank, within the FEMA mapped 100-year floodplain of Swan Lake. This application request would allow the newly constructed cabin to connect to a propane tank on the lot, which would require a variance to section 6 of the Lake County Floodplain Management Regulations. The subject property is legally described as Unit # 4 of Birch Glen, as shown on Deed Exhibit H-1686, located within section 14 of T25N, R18W.

Information regarding the proposal is available via the Lake County Planning Dept. All written and verbal comments are welcome and will be considered. The deadline to submit comments is February 21, 2025. Comments may be mailed to: Lake County Planning Dept., 106 Fourth Ave East, Polson, MT 59860, or e-mailed: planning@lakemt.gov .
