Missoula Police Department Statement on the Search for Danit Ehrlich

It is with deep sadness that we share the tragic news regarding the search for Danit Ehrlich. Our hearts go out to her family, friends, and loved ones during this incredibly difficult time. We extend our deepest condolences as they navigate this profound loss.

Through the course of our investigation, it has been determined that Danit has likely drowned in the Clark Fork River. Recovery efforts will continue as conditions allow, and we remain committed to bringing closure to her family.

We also ask for the community's help in locating Danit's dog, Bamba, who is still missing. Photos and additional details are attached to this release. If anyone locates Bamba, please contact the Missoula Police Department at (406) 552-6300 so we can reunite her with family members.

We want to express our sincere gratitude to our community members who showed their support and assisted in the search. Your kindness and willingness to help have been truly appreciated. We also extend our thanks to all first responder agencies, The Missoula County Sheriff's Office, their Search And Rescue Unit (SAR), and the K9 Task Force who were involved in the investigation and assisting agencies for their dedication and efforts throughout this process.

We ask that the family's privacy be respected during this time.
